

***McGregor Real Estate understands and recognises that we have a responsibility to our customers, our team and to the wider community to ensure we take care and that we do not adversely affect the health and safety of others in our community during the current pandemic.***

Following Government advice and directives we are adapting how we operate our work environment and our interactions with all stakeholders in our local industry. We respectfully ask all those that we deal with to accept these changes and work with us to minimise the impact of this Pandemic across our community.

***McGregor Real Estate are open and conducting business however we have introduced some measures and taken some actions to help look after everyone's health and safety.***

*These actions include:*

- Open Homes will be put on hold at this time however we are now working on developing "Live Opens" for Facebook, to bring new listings to the market.
- Property inspections of town and country listings are continuing with observation of levels of social distancing and health and hygiene preparations on a case by case basis.
- The number of visitors to our office will be less and we will require everyone to observe the social distancing practices of hygiene and care protocols. By all means call us and discuss your contact need.
- Our auction team has on advice postponed the 391 Cope Road Clearing sale until Saturday 13<sup>th</sup> June and our Blue Springs Road Clearance until the 4<sup>th</sup> of July subject to developments and advices they may be delayed further.
- In property management our services continue however we will be putting routine inspections on hold at this time.
- Ingoing and outgoing inspections will be conducted with only our Property Manager present and tenants will be able to discuss any matters by telephone.
- We are liaising with our trades and maintenance suppliers and all urgent necessary repairs will be addressed as they arise however non urgent repairs and maintenance may be put on hold, please note tenants may have to vacate premises while works are undertaken.
- Our team are continuing to undertake ongoing appraisal and listings across the region with all the health and safety recommendations foremost in our procedures. The MRE office will be on skeleton staffing to reduce risk also.

***Please accept these health and safety measures and continue to work with us at McGregor Real Estate.***

We are keen to secure new business in these trying times and we will be liaising with government and industry advisers to ensure we are aware of all new directives. We appreciate your cooperation and would welcome your contact by telephone, email or text and we will endeavour to keep you updated on [Facebook](#).

***By Working Together and Looking Out For Each Other, We Can Beat This!***
